Toyota Tundra

Platinum and 1794 Edition

Vital statistics

Power
284 kW@
5600 rpm

Torque
543 nm@
3600rpm

Towing rating
4 tonne
GCW
7.2 tonne

A truck that works hard to serve you.

As you take your seat and become accustomed to the Tundra's extra size and visibility, you'll appreciate a vehicle that's as comfortable as it is capable.

As robust as a Tundra is on the outside, the true value comes once you are seated inside. An intuitive control layout keeps everything important within easy reach of the driver.

Crisp gauges in an all-new instrument cluster and a revised centre stack add up to a confident drive experience. Even the thicker steering wheel was redesigned to make driving easier and your technology easier to access.

Don't be fooled by this modern interior though: Beneath it all lies the legendary power and capability Tundra is famous for.
